“Good With Some Outstanding Features” - Ofsted 2016

In January 2016 *Hartlepool Sixth Form College* came top in the area government performance tables for the level of progress that students achieved whilst studying A levels at the college. We take great pride at Hartlepool Sixth Form College that we develop well-rounded young people who have more to offer than just academic qualifications.

We offer a wide variety of extra-curricular enrichment activities and opportunities to our students to help them to grow and develop into confident and caring young adults. The College has a culture of high aspirations and expectations; our £25m state-of-the-art campus will provide you with the very best specialist facilities to support your chosen programme of study.

- A tangible ethos of high expectations
- Staff pay excellent attention to safeguarding
- A very strong culture of valuing the individual permeates the college
- Throughout their learning pupils grow in self-confidence and become increasingly aspirational in their work and personal lives

A-Level Pass Rate

Hartlepool Sixth Form College has an average 99% pass rate for A Level. We are very proud to have the best AAB grades or higher percentage including facilitating subjects (the ones which are generally considered for entry to top Universities) for all colleges in the region! (DFE 2017)

International A-Level Study Programme

The International Core Study Programme is:

- English and Cultural Studies
- At least one enrichment
- International Extension studies
- EPQ (International Honours students)

In addition, the following combinations of study programme are available:

- Three A Level subjects
- Four A Level subjects (Honours students only)
- Two A Level subjects + 1 BTEC Certificate)
- BTEC Diploma + 1 A Level subject
- BTEC Extended Diploma

Pre A Level Study Programme

Your course will involve English language tuition and A-level taster classes which you will study with our local and international students. The course will start in January and will last for 2 terms, studying full-time.

Enrichment

- We offer a comprehensive selection of enrichment activities
- We offer outstanding sporting academy programmes
- We have a full range of non-sporting enrichment e.g. Debating, Arts & Language Exchange
- We have a Student Ambassador programme in conjunction with a local University
- We offer an educational and cultural trips & visits programme

Homestay

- Living with a local family offers the best way to learn about English culture and life in the UK
- Your host family will support you in your studies and make your stay extra special by including you in family life
- All of our homestays are within walking distance of the College or a short bus ride away.
- The College works closely with host families to ensure you have a happy stay

“ So far my hosts have been doing everything they can to make me feel at home. They would hold a little party on special events such as our birthdays and Chinese New Year and we are allowed to invite our friends over to join us.
- Li Xinying

“ Food in my homestay is amazing, I was so surprised that my host mum can cook various types of food. Sometimes my host mother cooks Thai, Malaysian, Indian or even Chinese! She is marvelous!
- Xu Sijie

“ When I first arrived in the UK everything was not as familiar as in China so I became a little stressed. Fortunately my host was so kind and invited my parents and me to have a cup of tea with her and we talked a lot and that made me relax and I started to look forward to life in the UK with my host family.
- Li Zixuan

Destinations

Our students progress on to some fantastic courses at prestigious Universities:
